Summer Break is Over

I'm sure all of the students are excited that summer is over and they are back in class. Probably Not! We are, however, are excited to have all of the students back from vacation and joining us again on Sunday mornings and Wednesday night.

We had a lot of fun this summer and a lot of opportunities to minister to the students. Our mission trip to Ft. Pierce with World Changers was a huge success. Our students had the opportunity to minister to a low income area by painting houses, running VBS, and helping out in a food pantry. Through their service they were also able to share the Gospel. The students had a great time and brought back some very interesting stories. We are already planning for our mission trip next summer.

Snowbird Wilderness Outfitters (SWO) was another great trip. This camp continues to excite both the students and leaders. The activities are a BLAST! Even more important is the staff love the Lord and the students. They don't pull any punches when they present the Bible and the students respond. It was unanimous. The students want to go back again next year. Start making plans now.

Summer Family Fair 2011

The family fair was a huge success! Thanks to everyone who came out and helped. We gave out school supplies, food, and clothes. We had a climbing wall, pony rides, bounce houses and so much more. Best of all we shared the gospel with our community and because of it, several accepted Christ as their savior.

Question about DRIVEN Update should be sent to
Smgraham2@embarqmail.com

Five of our students started classes at Baptist College of Florida. They were highlighted in a writeup on the BCF web site. Check out the article at:
